

Shoppers' Day Bristles With Bargains, Street Attractions, Fun For Everyone

With all preparations nearing completion by the middle of the week, this Saturday's Shoppers' Day and Jaywalkers' Jamboree needs only a good normal late-summer type day from the weatherman and a town full of people to set it up along with the past two such events as an enjoyed success.

The sponsoring Vulcan District Board of Trade have attempted to tailor this year's Shoppers' Day down to a schedule which will see visitors to town have time for a tour of the stores and their bargains within, a good look at the street entertainment during part of the afternoon, and find themselves with sufficient pep to take on the wind-up street dance in the evening.

The tastes of the majority have been taken into account in the planning of the program. From 10:30 Saturday morning when Harry Stoddard and Ray

Schmidek have their Little League baseball teams from Vulcan and Champion on the diamond for a one-game tournament, until the last "spasm" is had at the night dance, there should be something to suit every taste.

Elsewhere on this page is a complete time schedule for the day. Right after dinner, as soon as the young gang are into the first of two afternoon free shows at the Vulcan Theatre, Wally Franks will fill the downtown air with his popular street auction in which merchants will bring their goods to go under the hammer. Shortly thereafter the boys will break open the three hot dog stands and see how long the supply of dixie cups, milk and "dogs" lasts.

Of particular interest to the ladies and school crowd will be a mid-afternoon fashion show emanating from the stage at the Hotel corner. The show will

feature 1962 styles in attire for the new book-learning season that rolls in next week.

For supper there are picnicking facilities at the camp shelter by the swimming pool or a variety of special menus offered by local restaurants or a third choice—might be the church supper being staged by the local Anglican Guild.

At 7:30 p.m. entertainment will swing to the swimming pool where various types of water displays will make a new Water Follies feature under the direction of swimming supervisor Russell Armstrong.

In addition to the general merchandise and special items offered by stores, chances on bonus prizes are also a part of the fun with two draws being run. Last year's store draw is being repeated and a new Lucky Ticket draw gives participants a chance

on a grand prize of \$25.00 or other prizes.

Winners names of both contests will be drawn for during the early part of the evening street dance. Radio station CJOC, which will be on hand all day using their facilities to promote their doll contest and the Lucky Ticket draw and to generally help publicize the show, will be booming forth the music of Hanley's Orchestra over their mikes for the street dance.

The opening of the Little Bow Pioneer Museum will coincide with the Shoppers' Day and should draw many spectators through its doors during the day. The museum is located on the Commodore Allen farm, just south of the Elementary School.

The preparations all add up to one big "Open House" this Saturday and Vulcan merchants have the "Welcome Mat" out for old friends and new.

Winners Drawn Saturday Night

The description of the draws being run during the Shoppers' Day is as follows: The first is a repeat of that used last year where anyone 16 years and over may fill out a card in any store and become eligible for the draw to be made at night.

The second Lucky Ticket draw differs in that numbered tickets are dropped on the down-town area from an aircraft, and adults retrieving them must check with stores who have numbered tickets also. If the numbers jibe, the clerk initials the card and it is taken to CJOC's booth where a prize will be given and the holder becomes eligible for the \$25 also to be drawn for at night.

Nurse Speaks At W.I. Meeting

This month's meeting of the Good Deeds Women's Institute was held at the home of Mrs. Nellie Hutton and attended by 11 members and one visitor. The roll call was answered by "a most embarrassing moment" resulting in varied and amusing anecdotes. The usual committee reports were heard after which several matters of business were discussed.

Then the members welcomed a most interesting guest, Miss M. Loch, district health nurse, who gave an informative talk on the different departments—their individual duties and uses of the Federal and Provincial Public Health Department. Also Miss Loch mentioned the new polio vaccine and answered questions on this and other topics of interest to the members.

A tempting lunch was served by the hostess with the help of Mrs. Eileen Wylie.

Former Lomond Resident Passes

(By Lomond Correspondent)
A former resident of Lomond, Catherine May Kimball died in Edmonton on Tuesday, Aug. 21. Born June 4, 1916, she was the daughter of the late J. R. and Mrs. McKay of Lomond. She is survived by one daughter, Mrs. Doug (Betty) Bonner and one grand-daughter; four sisters, Mrs. Angus (Jean) Cook, Mrs. Robert (Bella) Cumming, Mrs. Ray (Elsie) Hornberger and Mrs. Earl (Hazel) Williamson; and two brothers, Mack McKay of Lomond and J. Ross McKay of Bow City. Services were held at the Foster McGavin Funeral Home, Edmonton, on Friday, Aug. 24. In lieu of flowers, donations were made to the Cancer or Diabetic Associations.

It's little careless habits that make big accidents.

Good fishing still will be found readily in many Alberta lakes and streams in spite of fish population loss because of the recent severe winter, as the Alberta Department of Lands and Forests fish stocking program moves into full swing. The Fish and Wildlife Branch's 200 gallon tank truck, specially fitted with oxygen equipment, recently visited Cottage Lake, 28 miles west of Edmonton and introduced to the water 80,850 rainbow trout fingerlings.

The healthy young fish, which were raised at the Department of Lands and Forest Fish Hatchery at Calgary, were transported directly from the southern city and poured by hose into the lake. The problem of winter kill was more severe than usual this year. A gill net test of Cottage Lake in the early spring resulted in only one perch being caught where in previous years a similar test would have yielded several hundreds of perch. There was no sign of rain-

bow trout. Lands and Forest Chief Fisheries Biologist, Martin Paetz estimates the new stock will be ready for anglers in the late fall and by next year will be a good size. The program of stocking Alberta lakes will see approximately two and one half million fish ranging in size from two inch fingerlings to the larger six and seven inch yearlings introduced to Alberta waters from the Calgary Fish Hatchery this summer.

Services Friday For Mossleigh Man

A resident of the Mossleigh district for 30 years, Charles William McIntosh, aged 62, died at Vulcan on Tuesday, Aug. 28. Born in Prince Edward Island, Mr. McIntosh came west to Alberta in 1919, living first at Strathmore and moving to the Mossleigh district in 1932. He is survived by one brother, Ewen "Red" McIntosh of Invermere, B.C.

Rev. D. A. Sharpe will conduct services at the Vulcan United Church on Friday, Aug. 31, at 2:00 p.m. and interment will be in the Vulcan cemetery. The Vulcan Funeral Home is in charge of arrangements.

While results of the School Leaving Examinations, Grade XII, are still incomplete, the final results are available for the Grade IX students of the County of Vulcan, 1962.

A total of 160 students wrote the examinations. 149 of these students passed and 11 failed. The following students, listed by schools and not by aggregate, received an Honors standing: Blaine Knapp, Brant; Sandra Bloxham, Champion; Douglas Muxton, Champion; Elizabeth Wilson, Champion; Leslie Green, Mossleigh; Eric Hagedorn, Mossleigh; Michael Burchak, Vulcan; Evelyn Nelson, Vulcan; and Suzanne Robertson, Vulcan.

The results by schools were as follows:

	Passes	Failures
Arrowwood	16	1
Brant	5	0
Champion	34	2
Carmangay	18	1
Lomond	23	1
Milo	14	3
Mossleigh	39	3

Students and teachers are to be commended on this very fine showing.

Many Vulcan golfers are entered in the Southern Alberta tournament to be held at the Henderson Lake golf course, Lethbridge, over the Labor Day weekend.

Tourney Trail Attracts Local Golf Addicts

Tournaments have been holding the golfing spotlight the past few weeks and the mixed two-ball tourney for the J. Wolfe Trophy has been completed. Gail Walker and Harvey Robertson won the trophy with a final decision over Mary Haga and Ray Wellman. The consolation in this event was won by Veda Boutland and Ross Walker over June Wellman and Earl Erickson.

At the Lethbridge Country Club ladies' invitational tournament, Irma Middleton and Gwen McKay came home with prizes, while at the Claresholm ladies' day the Vulcan ladies winning jewellery were Thelma Haverly and Gail Walker. In the annual Foothills tournament, held at High River, Vulcan golfers won the following prizes: Vern Haga, 2nd in 1st flight; Ross Walker, 1st in 3rd flight; Dan Watson, 2nd in 4th flight; Harold Boutland, 1st in 4th flight consolation; June Wellman, 1st in 1st flight ladies.

A number of Vulcan golfers journeyed to High River on Sunday to watch the highly entertaining Joe Kirkwood and his golf trick shot exhibition.

Value Of Swim Instruction Outlined To Lionettes

The Vulcan Lionettes were told their advantages over their male counterparts as far as swimming is concerned by guest speaker Miss Janet Jackson at the August meeting held last Monday in the Vulcan Cafe.

Miss Jackson, Bachelor of Physical Education, an instructor at the University of Edmonton, stressed the value of swimming for all age groups and explained the merits gained by the local girls presently taking part in the ballet to be shown here this weekend. Under her guidance this summer, they

have literally learned to "dance in the water" and the grace and skill achieved will never be forgotten.

Russel Armstrong, director of swimming instruction, outlined the course followed by the pool this year and why some changes were felt necessary. He felt the high calibre of swimmers in the county something to be proud of, and with the completion of the present Bronze Class, there should be no shortage of life guards another year.

Their talks proved outstanding, being very informative as well as

interesting and it was disappointing that every member could not have been present.

The baseball series cards were discussed, Gerry Snow volunteering to have them at her store again and Bea Richardson offered to handle the money.

A tentative date for Senior Citizens' Night was set for the latter part of October and volunteers for committees were accepted.

The next meeting, Sept. 24, will have as hostesses, Eleanor Bucholtz, Grace Dahl and Ruth Dann.

Shoppers' Day Doll Contest

Sponsored by radio station CJOC, the best-dressed doll contest will have four classifications: 1) Native Doll, dressed as Indian, African, etc.; 2) Home-made Dressed Doll; 3) Evening Dressed Doll; 4) Novelty Dressed Doll.

In each classification there will be three prizes of \$1.50, \$1.00 and 50c.

Entries in the doll contest should be taken to the CJOC booth downtown not later than 5:00 p.m. on Shoppers' Day and will be displayed on the stage or some other convenient location. Results of the judging of the dolls will be announced at 7:15 p.m.

Champion Pioneer, H. A. Williams Dies

Herbert A. Williams, a former old timer of the Champion district who homesteaded where Harvey Fath now lives, passed away at the age of 82 years in the Creston Valley Hospital, Creston, BC on Sunday, Aug. 12.

Mr. Williams who had made his home in the Alice Siding district, near Creston, had lived on the Ken Alder place until 1937. He was married to Margaret Alice Rosenberger at Carmangay, Alta. in 1907.

Prior to coming west he spent five years as a sailor on the Great Lakes. In 1905 he came west to Champion, Alta., where he homesteaded, and lived in that district until moving to Creston where he farmed on the flats until his retirement in 1950.

He was an active member of the Senior Citizens and his hobby was prospecting and investigating old mines.

He was predeceased by his wife, Margaret on Nov. 23, 1940. Surviving are a son, Fred at Alice Siding; a daughter, Mrs. H. (Jessie) Mather, also at Alice Siding; a brother, Justine Williams of Chatham, Ont.; six grandsons and one granddaughter.

Funeral services were held on Tuesday, Aug. 14, at 2:30 p.m. from the Olive Funeral Home in Creston with the Rev. G. A. Thomson officiating. Interment followed in the Old Vinnage of Creston cemetery.

Palbearers were Messrs. Jack Miller, Dave Armitage, W. Mather, H. Johnson, Ray McKelvey and Jack Langlois.

Ball Tourney At Lomond Sept. 3rd

It would be a waste of time to head for the hills (as so many say they would do) if an atomic war ever came to Canada — that is unless the hills had been prepared ahead of time. Nor will our human characteristics allow us to just lay down in resignation to die in pieces.

Preparation is essential, let's not be found wanting, let's be ready.

Letters to the Editor

AN OPEN INVITATION TO ALL OLDTIMERS OF THE LITTLE BOW DISTRICT

The Little Bow Pioneer Museum Group extends a sincere invitation to all oldtimers to be our guests on our opening day, Saturday, Sept. 1. We had hoped to write a personal invitation to each and all of you but a complete list of names and addresses was not forthcoming, so rather than offend some by using an incomplete list this is your invitation to a glimpse of the past and to share a cup of coffee with us.

We hope to have a taxi service of antique cars to ferry the "Golden Age" groups from Richardson and Gould's garage downtown to and from the museum, from noon until sunset. We hope to see you all. Many thanks, Mr. Editor, for your wonderful writeup and photographs of our efforts and thanks too, Alvin Godkin and Earl Galloway, for your many hours of time spent working for the museum.

—The Little Bow Pioneer Museum Group.

1003 Dynes Ave.
Pentlton, BC

To the Editor of The Advocate
Dear Sir:

I certainly appreciate receiving the Vulcan Advocate and getting all the news and reading about all the oldtimers I knew years ago. I lived in your district for 32 years. My son, Neal has just returned from a visit to your district. I am in touch with quite a number of the oldtimers who are now living in British Columbia.

Thanks once again and wishing you and your paper every success.

Yours truly,
Edward Synge

Shopping Day Bargains Below!**District News****MAJORVILLE**

Mrs. Ingraham and Mrs. Swanson of Calgary visited Mrs. Jessie Umscheid and Granny Burk on Sunday.

Guests at the Chester Thompson home this week were Mr. and Mrs. Allan Munroe and family of Gratum. Their two daughters remained to spend the week on the farm with the Thompson family.

Mrs. W. Pugh and Linda of Calgary and Mrs. V. Williams of Gleichen visited Mr. and Mrs. J. Papp on Tuesday.

Mrs. Pugh told of a recent interesting experience at her home on the Sarcee Reserve. She had been out greeting friends who had driven in when she noticed a bobcat in the yard. After cautioning her friends she was trying to get their pets safely in the house, when the bobcat came running up and started rubbing itself against her legs, purring and licking her hands. Upon investigation they discovered that it had been found as a kitten and raised by a family of Indians on the reservation. It has since been housed in the Children's Zoo at St. Georges Island where zoo attendants, with tongue in cheek, say it romps happily with the other animals and is kept caged only in visiting hours to protect it from the children.

Friends of Mrs. Laura Sutherland were happy to welcome her back this week from a holiday in England.

Friends and family of Grandma Monner called on her Tuesday to wish her many returns of the day.

Waterton on Saturday for the weekend.

Mrs. Bob Scott and Mr. and Mrs. R. Wellman motored to Mrs. Donna Gordon and family of Cluny were weekend guests at the George Heather home. On Sunday they motored to Enchant to visit the Jacobson family.

Mrs. Bill Gooch motored to Lake Louise on Monday to bring Louise home for a holiday before school starts.

QUEENSTOWN

Mrs. Lorne Cook and baby daughter, Michele, motored down from Calgary last week to visit at her parent's, Mr. and Mrs. O. Lahd. Mrs. Doris Gooch of Calgary visited with her parent's, Mr. and Mrs. Stan Brown last week.

Jim Cody of Carseland is holidaying at his cousin's, Mr. and Mrs. Jim Brown.

Mrs. Wm. Fodor and family who were vacationing at Kelowna returned home last weekend.

Mrs. George Elder attended the Queenstown General Store on Monday of last week while the Wongs were in Calgary.

Mr. and Mrs. W. D. Campbell of Calgary and Leila May were weekend guests at the Frank Durston home.

The Men Behind The Operation

With the Shoppers' Day event now in its third year some of the spade work in setting up such a day has ended but there is still need of willing volunteers to take over committees to see that the show runs smoothly.

Board of Trade president Doug Wilson is chairman of the working groups who include Dave Mitchell, in charge of the program, while Art Leoni handled the inglorious task as business representative, of lining up the merchants to foot the bill. His survey was most successful with solid support promised for the event.

Handling the concessions is Gordon Brown and Howie Klippert has taken over the kids morning baseball tournament. From the feminine side comes Jerry Snow, Eunice LaRoche and Retta McIvor who are dealing with the fashion show.

A careless man is just an accident going somewhere to happen.

Oral Polio Vaccine To Be Offered By Health Unit

This vaccine will be offered to everyone in the population over the age of three months during a mass immunizing campaign scheduled to start during November this year.

Two doses of vaccine will be offered to everyone, and an additional third feeding to anyone who has not completed a course of three injections of Salk vaccine. It is extremely important that as many people as possible receive the vaccine, and that all members of a family receive it at approximately the same time. The first feeding is expected to commence on the 19th of November, and subsequent feedings will begin on the 14th of January and 11th of March, 1963. Every effort will be made to complete each feeding within a period of two weeks so that there will be an interval of six weeks between the end of one round and the beginning of the next.

It is anticipated that school children will be given the vaccine at school, where they can be more easily organized. These children will be given a special consent form to take to their parents for

signature and return to the teacher.

Pre-school children and adults will be given the vaccine at clinics set up throughout the Health Unit area at specified times and days. It will not be possible to administer vaccine at the Regular Baby Clinics for several reasons, but the Sabin Vaccine Clinics will probably be located in, or near, to the existing clinic buildings. Children should attend with a parent as in most cases a consent form will have to be signed at the time of administration of the vaccine. Fathers are particularly requested to participate in this campaign, and in order to obviate interference with work, it is likely that evening sessions will be held at some of the clinic centres.

In order to undertake a campaign of this magnitude, we shall require the help of a considerable number of volunteer workers, particularly registered nurses. Each clinic will probably require at least four

volunteers for recording and direction, in addition to two nurses one of which will be a public health nurse.

I must emphasize that this campaign will in no way interfere with our existing programme for the administration of Salk vaccine by injection. The combination of the two vaccines will give almost 100% protection against poliomyelitis.

This letter is being circulated to various organizations which I feel will be interested in the campaign, and who will be able to offer some assistance in carrying out this extremely important service.

I should be grateful if those groups willing to participate would communicate with my office. I intend to hold meetings with volunteers in late September or October to explain the program and discuss details.

Yours sincerely,
A. C. Ellis, M.B. Ch.B.
D.P.H.
Medical Officer of Health.

Bride's Father Performs Ceremony

A June wedding in Picture Butte Church of the Nazarene united Beverley Cross, RN, daughter of Rev. W. F. Cross, Nobleford, and the late Mrs. Edith Cross, in marriage with Robert Clemens, son of Mr. and Mrs. Orvel Clemens, Mossleigh.

The bride was given in marriage by her father who also performed the ceremony assisted by Rev. Ian Coulter.

The bride wore a floor-length gown with lace bodice, crystalline skirt and lily-point sleeves. Her only jewellery was a string of pearls, gift of the groom. She wore a short veil and carried sweetheart roses on a nurses' Bible.

Matron of honor Mrs. Jean Hansen, Blackie, wore a blue street-length dress with lace bodice and a crystalline skirt with lace inserts. She carried a nosegay of white 'mums and sweetheart roses edged in pink tulie.

Flower girl Susan Cross, niece of the bride, wore a pale blue dress and carried a nosegay much like the matron of honor's but smaller.

Ring bearer was David Cross, nephew of the bride. Both the flower girl and the ring bearer are from Lethbridge.

The church was decorated with bouquets of white peonies and 'mums, and blue glads. Pew markers were white peonies. The organist was Lavern Ducommun, High River.

Harold Hansen, Blackie, was best man and ushers were Gordon Newman of Blackie and Fred Cross of Lethbridge. Soloist for the wedding was Wilfred Jensen, Lethbridge.

A reception was held in the Scandinavian Hall, Lethbridge. The bride's sister-in-law Mrs. Maxine Cross took the place of the late Mrs. Cross at the wedding and wore a pink sheath dress with navy accessories and a white carnation corsage.

The groom's mother wore an aqua sheath dress with pink accessories and carried a corsage of white carnations.

Decorations at the bride's table were a three-tiered wedding cake

with candles flanked by white peonies.

Toast to the bride was given by John Cross, Edmonton, uncle of the bride. Toast to the matron of honor was given by Harold Hansen.

The honeymoon was spent on the coast and in the western states. The bride wore a navy blue sheath dress with jacket, white accessories and a sweetheart rose corsage. They will reside in Mossleigh.

Wedding guests were from Res-lau, Ontario; Saskatoon, Edmonton, Ryley, Red Deer, Consort, Veteran, Calgary, High River, Mossleigh, Okotoks, Blackie, Carseland, El-nora, Purple Springs, Lethbridge, Nobleford and Picture Butte.

Back-To-School Fashions Featured

Last year's outdoor Fashion Show featured a peek at the wearing apparel of earlier generations, and was well received by a large crowd downtown. To change the theme next Saturday the ladies are planning a review of back-to-school clothing, which will fit in well with the time of year.

Organizing the show and supplying garments and models will be Jerry Snow of the Fashionette, Retta McIvor of the Betty Ann and Eunice LaRoche of Robinsons Stores.

Huge Foster Blower Force Stamps Out Daylight Robbery in Vulcan Area

Reinforcements Are On The Way

As a comparison we will use the term robber to describe the open space located immediately at the rear of the shaker shoe on all combines, supplied as standard equipment at no extra cost.

This little rascal is busy every minute your combine operates, broadcasting grain, weed seeds and puffing out valuable chaff in unpredictable quantities.

Stop the sneaky little thief that for years has been stealing you blind behind your back, right in broad daylight. Turn this stolen loot into tons of profit; tons of high grade feed.

Mr. Farmer, you can rid your-

self of this costly waste with the aid of a Foster Blower, a machine with a proven past and a sterling reputation backed by hundreds of owners and leading responsible farm and ranch publication throughout the United States and Canada.

We are not too sure if the visible supply of these popular machines will meet the demand for this year's crop but there is one thing of which we are certain. When the professional grain and chaff thieves join the ranks of the unemployed, those figures will surely reach a staggering all time high.

Britain's newest liner, Northern Star, is the first ever United Kingdom passenger ship to be equipped with davit-launched inflatable lifeboats—25 twenty-men "Seafarer" lifeboats having been fitted.

The lifeboats can be loaded at deck level and lowered from either side of the ship in case of emergency, whether or not the vessel may be listing, and can also be inflated and boarded at sea level.

District News

LOMOND

The Ruppert children returned home Saturday after spending the past two weeks visiting relatives at Scapa and Youngstown. They were accompanied by Buddy Wiens who spent the weekend visiting the Ruppert home.

Mr. and Mrs. Henry Ens and family were visitors in Lomond on Thursday, on their way home from holidays to Mossleigh, where Mr. Ens will teach this year. Congratulations to Ross Ens on his splendid report card. His returns on grade 11 were six H's and three A's, having taken extra correspondence course. We all wish him a great deal of success with grade 12 and know his marks will be just as good.

Mr. and Mrs. Mack McKay motored to Edmonton last week to attend funeral services for the former's sister, the late Mrs. Catherine Kimball.

A little boy in Lomond caused some concern one day last week, when he had not been seen at home from 1:00 p.m. in the after-

noon until after 4:00 p.m. It had just been decided to organize a search when the youngster showed up. In a case like this or anything similar, for a distress signal the fire siren will blow twice, where as for a fire it sounds four times.

Best wishes for a speedy recovery from her many friends in Lomond are extended to Mrs. Minerva Hammer, who is a patient in the Vulcan Hospital.

Billy Einarsin is returning home to Gimli this week after spending the summer at the home of Mr. and Mrs. Albert Johnson.

Young Jimmie Foreman has returned home after spending the summer vacation at the farm home of Mr. and Mrs. Albert Johnson.

Best wishes for a speedy recovery are extended to Miss Glenda Root, who underwent an appendectomy in the Vulcan Hospital last week.

Deepest sympathy of friends in Lomond and district is extended to Mr. and Mrs. Mack McKay and family at news of the death of Mack's sister, Kate in Edmonton, on Tuesday, Aug. 21. Also to Mr. and Mrs. Ross McKay and family and Mr. and Mrs. Earl Williamson and family at Bow City, as well as to all other members of the family.

A number of friends visited at the home of Mr. and Mrs. Fred Lindstedt on Wednesday, Aug. 22, the occasion being Mrs. Lindstedt's 74th birthday. Congratulations and best wishes are also extended to Mrs. Lindstedt from other friends for many more happy birthdays.

Mr. and Mrs. Allan Scott and family of Red Deer have returned home after spending a holiday in Lomond, visiting the homes of the latter's sisters and brothers and their families.

Little Merl Huff had the misfortune last weekend to fall from the corral fence and break his arm. His young friends all wish him a speedy recovery.

THE BIRTHDAY CLUB

On Aug. 9, a meeting of the Birthday Club was held at the home of Mrs. Paul Maier. After the opening song, "Red Sails in the Sunset", 14 members answered roll call by telling about the best holiday they'd had.

The minutes were read and accepted. Discussion was held on the pros and cons of a bazaar. Suggestions for future roll calls were gladly accepted by the committee in charge.

The September meeting is to be held at Mrs. Elmer Hamm's house in town. Closing song was "Silver Threads Among the Gold." Mrs. Isabel Volesky won the nickel draw. Mrs. Bob Ensign held a scrambled word contest, which was won by Mrs. Mary Crawford, consolation to Mrs. F. Hart.

The hostess and her assistants then served a delicious lunch to close the afternoon.

MOSSLEIGH

A wedding dance in honor of Mr. and Mrs. Robert Barr (nee Beverly Campbell) was held on Friday with a large crowd in attendance. Harvest operations were in full swing until about three-thirds of an inch of rain fell.

The community extends a wel-

come to two new families, Mr. and Mrs. G. A. Collard and family, the new Searle agent, and Mr. and Mrs. Ens and family. Mr. Ens will be teaching grades seven and eight.

Miss Yvonne Elliott had as her guest this past week, Miss Cathy Vander Ploeg of Blackie.

Congratulations are extended to Mr. and Mrs. Garry Hill on the birth of a son on Friday, in the Vulcan Hospital.

Mr. and Mrs. George MacDonald of Calgary were visitors in the district on Saturday. They were accompanied by Mrs. MacDonald's sister from Scotland. Mr. MacDonald is a former principal of the Mossleigh school and wished to be remembered to all his former pupils.

Mr. and Mrs. Alvin Hutton and family of Edmonton were guests of Harley Hutton for a few days.

School opens next week with the following staff: Grade nine and principal, Mrs. Alice Thurber; Grades seven and eight, H. Ens; Grades five and six, Mrs. Hazel Meadows; Grades three and four, Mrs. Murphy; Grades one and two, Mrs. E. McCellan.

Don't gamble in traffic. The cars may be stacked against you.
